

*From the Regius Professor of Medicine, Oxford.*

Jan. 13th, 10.

Dear Jacobs,

I do not believe you ever had a copy of this prospectus joke which I got out shortly after our return from that interesting trip.

Keep up Jim Frick's interest in the Library, get him to go over there occasionally. Miss Noyes writes

very encouragingly about the progress of the work.

I have written about the Aescupālian statue.

Love to Mrs. Jacobs.

Sincerely yours,

*M. O. S.*
